Dear IBF Member Federations,

I write to you in regards to the Festival of Bowling, World Championships 2021, Dubai, United Arab Emirates.

Thank you to everyone who has taken the time to register their federation details via Gameday. This is a huge step forward in knowing exactly who we are as an organisation.

Thanks also to Emirates Bowling Federations, Dubai International Bowling Center, Dubai Sports Council and our partners Dubai Experience, Emirates Airlines, QubicaAMF and Kegel for their help and support in preparation of the return to International Bowling in November.

We are delighted that over 40 federations will be attending the Super World Championships in Dubai though as a result and the learning from having such a registration process we have extended registration for the super World Championship until Midnight on **Sunday September 26<sup>th</sup> 2021**. COVID protocols will remain for the elite athletes, coaches and officials though we will be extending the “bubble” and controls beyond the center and hotels. The deadline extension is to complete the payment process for several federations given the need of now registering all the details. [IBF Super World Championships - GameDay \(mygameday.app\)](#)

For Masters World Championship we are also extending the deadline given the nature of the event. The UAE have an incredibly robust approach to the global pandemic and health and safety is of the utmost importance to everyone. The protocols will always be in effect for the Masters Championships though the “bubble” is being reduced through government regulations, NOT from IBF thinking it's a good idea. Protocols will remain in place for competition **in the center** to protect everyone given the frequency of participation, though there will be much more freedom to experience Dubai during the time in Dubai. Testing processes will remain as whilst the UAE is relaxing its protocols we have to be diligent and think of everyone around us. Deadline for registration extended to Midnight, **October 3<sup>rd</sup> 2021** [IBF Masters World Championships 2021 - GameDay \(mygameday.app\)](#)

The inaugural Para Bowling World Championships registration has been ticking over and we are delighted to commence such an incredibly valuable venture for the sport and its athletes. Through the support of Emirates Bowling Federation and UAE Special Olympics we will be adding a Special Olympics event alongside the Para Bowling World Championships. Deadline for the Para Bowling World Championships will be extended to **October 10<sup>th</sup> 2021**. [IBF Para Bowling World Championships 2021 - GameDay \(mygameday.app\)](#)

Many questions have come to the team regarding flights and logistics. Below is an explanation, simple hopefully, of the Emirates code and how to use this. We are in talks right now regarding excess baggage with Emirates and also a shipping and logistics organisation to assist everyone further. - **Update in the Newsletter**

Below this Mail and the Codes you find 3 screen shots illustrating how to book and where the discounted fare is displayed.

THE CODES:

**IBF2021** (IBF Worldwide)

**USIBF21** (IBF Country specific - US) For persons in the US

On the homepage booking widget click on “promo codes” you do not need to enter you routing and travel dates at this time yet.

On the landing page you enter your routing, travel dates and class of travel you desire and most importantly the promo code

On the following landing page you will get the offered flights and the corresponding fares. All fares the promo code is valid for are marked with a little, yellow sun.

Once you have chosen you flight and fare you will find the fare including the discount on the upper right corner of the page. In second call out on this page you see the lowest price which is the fare without the discount.

A formal **Newsletter** will be issued when registration for the Super World Championship closes at Midnight on **Sunday September 26<sup>th</sup>**.

Details for registration to Congress, protocol and the hotel bookings will be issued on Sunday as well.

Best wishes to everyone and thank you again for such a great response to the events in Dubai and thank you to all those person who are helping in the background.
